State Director

Greetings,

It is an honor to invite you to the 2009 New York State Leadership Conference which will be held on May 1-2, 2009 in Long Island, New York at the Holiday Inn Long Island hotel.

Your host chapters, Nu Phi Zeta and Theta Kappa have been working diligently to ensure a successful leadership conference. They also invite you to the “Finer Things in Life Party” during this year’s conference. It will take place at the Holiday Inn Long Island from 9pm – 1am on Friday, May 1, 2009. You can come and de-stress while enjoying good food and good music. This will be a great way to kick off this year’s conference. One complimentary ticket is provided with every conference registration. Additional tickets may be purchased at \$15 each by indicating so on the registration form or by emailing info@nuphizetachapter.org.

Near the hotel, you will enjoy several restaurants including Applebees, Panera Bread, Smokey Bones BBQ & Grill, and Outback Steakhouse, all of which is accessible by the complimentary area shuttle provided by the Holiday Inn. There are also great shopping opportunities in the area - Tanger Outlet, Smith Haven Mall, and various shopping plazas.

I urge all of you to register for the conference, arrive with a positive attitude, and be ready to enjoy as we continue on our pursuit of awesomeness.

Sisterly,
Levette Jones
New York State Director

New York State ZHOPE Initiative

Meeting the Basic Needs of Those Spiritually Challenged

The ZHOPE initiative is centered on helping the National Coalition Against Domestic Violence.

NCADV has partnered with The Wireless Foundation for over seven years through the CALL TO PROTECT program which was created to provide victims of domestic violence who may encounter emergency situations with free cell phones for that use. The collection of deactivated cell and wireless phones for this purpose has literally saved hundreds of lives over the course of our partnership.

In addition to phones being distributed for emergency use, proceeds from the sale of phones not utilized for emergency use help fund agencies that work to end violence in the home, such as NCADV.

Here's how it works:

Donating 20 cell and wireless phones = 25 points

- Items must be presented at the New York State Leadership Conference along with a copy of the ZHOPE Chapter Summary form and be sure to fill in all required information.
- 25 extra bonus points can be received for every additional multiples of 20 items donated.
- Chapter credit will be given for the 2008-2009 sorority year.
- Participation in the initiative meets the requirement for fulfilling the mandate on program for women.
- Bonus points may be applied to any population or dimension (Mind, Body, Spirit)
